

Holiday Competition Short-list

Fellow Velo – Provence Cycle Holiday Competition

Our holiday competition closed to entries on 20th February and we have now chosen the 21 entries that will be put into the hat for the winning draw. Alliteration, phrases, a smattering of french and a little evidence of following Fellow Velo online seems to have been the way to go to be closer to winning the 5 Day Cycling Holiday. The names going into the hat are; Wayne, Piers, Claire, Richard, Sophie, Marilyn, June, Mark, Stella, Debra, Michelle, Vaghela, Laurence, Julie, Jo, Chloe, Abby, Natalie, Moriah, Nikki, and Kevin. We will email the short-listed entrants by the end of today to confirm their place in the hat and, will draw the winner tomorrow.

Thank you to the hundreds of people who entered the competition online and at recent shows.

THE FRANCE SHOW 2017
27-29 January | Olympia, London
The best of France is a day
www.thefraceshow.com

Thank you to all our visitors at the France Show, Olympia a couple of weeks ago and to all the friendly contributors and organizers. We hope to be back next year when a more successful riding attempt is sure to be made on Bernard Tadi from Amazon's Language Kitchen (his time perhaps a more coordinated medical dismount from Bert and his assistant).

New Cycle Tour Ideas for 2018
We are already looking ahead to the top 10 additions which we would bring to our programme for 2018. Here are some to whet your cycling appetites:

- Provence Gourmet Cycling Break – Michelin Star restaurants with accommodations to match.
- Mountains to the Sea – ride from the City of the Alps to the azure sea.
- Provence Traced by Tracks and Trails – discover Provence through its more sensitive off-road terrain – what one of our customers called "Chemins des Vies to Sea".
- or send us your ideal tour theme and we'll build a tour just for you.

Monaco Grand Prix Ride and More

We are really looking forward to riding with our guided group looking to this year's Monaco Grand Prix (and) where the photos in a future newsletter. If this sort of cycle tour is for you then why not plan ahead for 2018... and year it may not just be the Monaco F1 Race, we hope to add the Monaco Historic Grand Prix and possibly a ride to the former Paul Ricard Circuit for the return of the French Grand Prix.

Pedalling Poetry or Prose...
... for Valentine's ...

To ride a bicycle properly is very like a love affair – clearly it is a matter of faith. Above you do it and the thing is done, doubt, and, for the life of you, you cannot.
