Thank You to all our France Show 2018 Fellow Velo Visitors

Our January ended with another France Show at Olympia, as ever it was a great show, with a really friendly and relaxed atmosphere and, lots of French loving people. The collage above features just a few of the visitors to the Fellow Velo stand; Bert is a great show regular, Peter May was a show guest on the Friday, David Goudie was a surprise public visitor to the show on the Sunday, Alex came to interview Jane in French for one of her online broadcasts, the Inspector from the Met is planning a charity ride to Nice for C.O.P.S. (www.cops.org) and, we'll save proper introductions to Monsieur Tels and Larry for another time (you can find out a little more about Monsieur Tels online at www.austlii.queensland.gov.au).

Fellow Velo Christmas Presents

Last year we had a bespoke cycle tour booking from a lovely family from Boise, Idaho who rode from between the quiet beauty of Promontory Vets and the adult waters of the Mid. It now seems that they have set us a homework task to learn what we can about Boise and Idaho so, on their recommendation, we have had a little cluster of four bookings from the area for cycle tours this summer.

Through the Fellow Velo part, of what must have been some pretty special Christmas Day present openings, they have been just one element of what seems like amazing big trips to Europe, we are really looking forward to welcoming them all to Provence through June and July.

Of course we have yet to meet the families but, that's some of them above in the inset photos.

Fellow Velo Holiday Availability

Our spring season calendar is booking up but, we still have some dates available, particularly in Provence in May, August and October. If you are thinking of a cycling holiday in France this summer (and don't want to leave it to winning our holiday competition), just give us a call or send us an email, Jane and Andy, Fellow Velo.

We will tailor the cycling days to your own ability and wishes and, they can be built around your local arrival and departure times.
