

# Monaco Grand Prix Ride

A few years ago we were lucky enough to drive onto the Monaco GP Circuit (admittedly only in an Economy hire car) but that, and chats with motor-racing fan friends set us thinking about a ride to the Grand Prix for a future programme.

So, in wonderful October sunshine we've started planning a Riviera Ride to the Race

and aim to make a dry-run to the 2016 event and then, include it in our Guided Tours programme for 2017.

Who knows by then, Lewis may be pushing for a fifth World Title, Renault may have a competitive engine and Maclaren may have scored another point!
