

Atlantic Coast – Fully Guided (Deposit)

Our Atlantic Coast Tour makes for a great ride through the heart of Brittany, across to France's beautiful and wilder west coast and then, hugs the coastline down through the Vendée and on to the historic seaport of La Rochelle . It is also the first leg of a potential three leg cycle tour which guides you down the length and breadth of France. Brittany is wrapped by a dramatic indented coastline with cliffs and beautiful beaches; in its centre is a complex of low rolling hills where the land has given us some of its great cultural icons, crepes, galettes and of course cider. Venture a little further south and you will be entering a landscape of dramatic seas and salt marshes, with some of France's coastal gems. This is where the north begins to merge with the south of France; watch the temperatures rise and let the pace of life slow just a little.

Isn't it time you discovered the Wilder West.

As one of our 'Length and Breadth' Fully Guided Tours, this offers a closer to nature experience as you can choose for nearly all of the nights to be spent on campsites, with campsite meals provided on three of the evenings (or you can choose the Hotel/B&B version of the tour). We provide the tents and, will pitch them for you; your own sleeping bag and camping mat are the only real extras you will need to bring in comparison to our other tours. Your luggage will be transferred for you between campsites so, the cycling remains a relaxing pleasure but the feeling of a greater escape is real and the rewards are plentiful.

Entre Deux Mers – Fully Guided (Deposit)

Our Entre Deux Mers Tour makes for a great ride from the centre of France's Atlantic coastline at La Rochelle, and through Historic Aquitaine. It is also the second leg of a potential three leg cycle tour which guides you down the length and breadth of France.

When this area was governed by the Angevin Empire through much of the Middle Ages, the vast production of wine it controlled accounted for a significant proportion of the Crown's national income. Crossing this part of France can easily be mapped by names which resonate with the fruit of its earth; Médoc, Entre Deux Mers, Graves and Armagnac. Fabulous coastal stretches give way to green slopes falling into rivers, great and small. And, when it comes to the built environment, there is Bordeaux 'The Pearl of Aquitaine' a wine capital for the world and, a UNESCO World Heritage Site in recognition of its historic architecture and, Toulouse 'The Pink City', named after its terracotta bricks and, also proud possessor of two World Heritage Sites.
