Fellow Velo Christmas Presents

Last year we had a bespoke cycle tour booked from a lovely little town in the Black Hills with a lovely view between the quiet beauty of Provence Vents and the quiet waters of the Mer. It now seems that they have set us a homework task to learn what we can about Idaho and Idaho as, on their recommendation, we have had a one cluster of four bookings from the area for cycle tours this summer.

Through the Fellow Velo part, of what must have been some pretty special Christmas Day present evenings, may have been just one element of what seemed like amazing big hope to Burgin, we are really looking forward to welcoming them all to Provence through June and July.

Of course we have yet to meet the family but, that's some of them above in the inset photo.

Fellow Velo Holiday Availability

Our cycling season normally is booked up but, we will have some dates available particularly in Provence in May, August and October. If you are thinking of a cycling holiday in France this summer (and don't want to leave it to winning our holiday competition), just give us a call or send us an email. Jane and Andy, Fellow Velo
