Recovering Post London Bike Show

Fellow Velo feet are currently resting in a foot-spa as we recover from a tiring but energetic London Bike Show.

Thank you to all the visitors who came to our stand and chatted or drew pictures; the best 30 Sec Bicycle Drawing prize went to Rachel and, the draw for the touring luggage set to Richard. Lots to follow up on from all the contacts and, as a thank you to our visitors, if you find yourself looking at any of our Fellow Velo Fully Guided Tours in 2016, please remember that if we were given your conatct details, you can use the Code: FVLBS2016 for a 20% discount for groups of 2 or more.

Happy cycling and we hope to see you again in France or at the show next year.

A Great France Show at Olympia

Now allowing ourselves just a few moments of recovery after our first exhibiting year at the France Show at Olympia. Its was a great experience even if the feet were wishing they were turning pedals rather than treading the carpet at the end of the three days.

We had loads of really friendly visitors including, ‘Just a Minute’s’ Tony Hawks – after Around Ireland with a Fridge and Playing the Moldovans at Tennis, his next logical move was clearly to head the Fellow Velo Peloton ;-)
