Happy Easter to all our Fellow Velo Customers and to All

Fellow Velo Holiday Competition Winners

The latest addition to the Fellow Velo fleet is our extra little backup vehicle which means we're able to support more simultaneous tours, sneak down some of the even narrower, steeper, or dirtier roads, and give the occasional rest to Jean Claude.

Fellow Velo Photo Competition

For our 2017 cycling season, we are introducing a photo competition open to all our customers during the year. Just send us an entry with the three photos that best capture the experience of your Fellow Velo holiday.

The best adult entry prize will win a 5% discount on the price of any Fellow Velo tour taken in the 2018 and/or 2019 racing seasons (for a minimum booking of two persons). The best younger entry prize will receive a £25 voucher for any one of these seasons. Terms and conditions apply and will be posted at the end of the year on the website.

Congratulations to Abby, who won our Provence Holiday Competition. We hope that she and Mark have a great cycling break when they come to join us for five days in October. Though their dates are close to the end of our cycling season, early bookings in Provence can provide for cycling days to match any throughout the year.

Our Pre-Season Break

We've just back into the office from a wonderful pre-season break in Scotland, which doubled as our 25th Birthday Anniversary. As we planned for 25, a March trip to the Highlands and Islands didn't always feel like it would be the best of ideas with all the potential it held for wind and rain but, as more forecast of an incredible weather for most of the time.

The roads were so quiet that we barely had to remember to cycle on the left as opposed to the right we, not much had preparation for our return to France.

The weather was very glorious and, our base on North Uist as Oranienburg, could not have been more perfect. We had peace and tranquillity and, from forward, windy beaches that we rarely had to share with another soul.

We will always be drawn back to France and, Provence in particular but, there's no doubt that we would want to return here for some more great cycling days in the future. After a brief hop on Skye, we then headed to Glasgow on the March 1st/2nd which, though on the island, felt just as remote as our stay on North Uist. A mile long and track, finding small things led to our cottage on the loch shore.

Pedaling Poetry or Prose

Yes, the weather was a bit of a let down, but the scenery was truly amazing. The perfect day for a cycle to the loch shore.
