Merry Christmas to all our 2017 Fellow Velo Customers and to All

Thank you to all those who chose to sign with us during the year, for the company, the staff and, some great memories. And, our best wishes to all who are here or will be in 2018 and, to those who are in thinking of joining us too.

Fellow Velo Website

Our website has now been updated for 2018 with some new route ideas and it also includes another opportunity to win a cycling holiday for two in France - see Page 2 for more details.

We had a wonderful guided tour to the Monaco Formula 1 Grand Prix this year and, with the French Grand Prix returning to the calendar in 2018, after a ten year absence (and 35 years since it was last run at the Circuit Paul Ricard), we have added a new tour in June to celebrate the event. Monaco obviously sits on the sea so when we see it really feels like a nice coastal town. We have added another special here around the South of France.

Places on this tour are limited and, even this far away from the book dates, people are already rising for accommodation so that would be not about the race coming 12 time.

THE FRANCE SHOW 2018
 26-28 January | Olympia, London
The best of France in a day

Fellow Velo will be at the France Show in Olympia once again. We will be talking at the Language and Travel Forum again and you can meet us face to face at the Fellow Velo stand.

Just come along to the show to be inspired by all the France by Bicycle and, you will be welcome to visit us on our stand (J27) to chat about cycling and perhaps even share a cup of wine.

If you are struggling to get your tickets for the show then, just drop us an email and we'll see if there is any way that we can help you to come and share in the fun.

Win a Cycling Holiday in 2018

Customers have now been invited to our website about a competition to win a 2018 Fellow Velo cycling holiday in France.

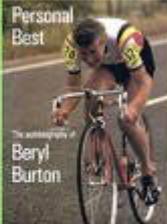

10 Day Cycle Tour, including bike hire and 2 nights in some of France's most beautiful chateaux. Dinner for two people (or the price element could be added to a wider cycling holiday package).

Andy and Math were our 2017 holiday Competition Winner's, as well as great cycling tips, they were accompanied, observed by the staff viewed along the coast.

The triumph of Beryl Burton

In 1967, Beryl overtook Mike Nicholson in an O'Beir CC 12-hour time trial on her way to setting a women's record at 277.28 miles in the set time. Nicholson's distance of 276.52 miles in the same event was itself a new men's record. When Beryl overtook men during a race, they could always expect a quieter witness or word of encouragement. When she overtook Nicholson she immediately offered him a liqueur glass.
