Merry Christmas to all our 2016 Fellow Velo Customers and to All

Thank you to all those who chose to spend with us during the year, for the company, the fun and, some great memories! And, our best wishes to all who we know are still out in 2017 and, to those who may be thinking of joining us later.

From Fellow Velo

Fellow Velo Website
 Our website has now been updated for the 2017 cycling season in France. As many of our customers were looking for bespoke cycling holidays that, we have expanded this service, particularly in Provence, and we have added a page in our Guided Provence section to help with ideas for creating just the kind of holiday that would suit cycling dreams.

Website for 2017 now live!

All our previous tour options are still available and, we have just added them with more flexible dates and bookings. This also means that if you see something that you like in our main brochure, would just like to make some small changes to a tour then, just let us know.

You can even mix and match elements within our bespoke trips or between these and our main tours. Sometimes it is just for particular sections that customers want a fully guided part of a package, like through the wider parts of the Camargue or for a special wine tasting day.
