Merry Christmas to all our 2017 Fellow Velo Customers and to All!

Thank you to all those who chose to spend with us during the year, for the company, the fun and, some great memories!

And, our best wishes to all who we know we will see in 2018 and, for those who may be thinking of joining us too!

Fellow Velo Website

Our website has now been updated for 2018 with some new route ideas and it also includes another opportunity to win a cycling holiday for two in Provence (see Page 2 for more details).

We had a wonderful guided tour to the Monaco Formula 1 Grand Prix this year and, with the French Grand Prix returning to the calendar in 2019, after a ten year absence (and 30 years since it was last run at the Circuit Paul Ricard), we have added a new tour in June to celebrate the event. Monsoons obviously stop on the race calendar so, it really feels like this motor racing has found another special home around the South of France.

Places on this tour are limited and, even this far away from the hot dates, prices are already rising for accommodation now that word is out about the race coming to town.

The cycling journey on this tour will cover Provence from top to bottom, starting along the spectacular Gorges du Verdon before winding its way through Provence hills and over the Massif des Maures to stop your cycling feet in the sea before transferring to your base for a weekend of high culture prices.

Website for 2018 now live!

The best of France in a day

Fellow Velo will be at the France Show in Olympia once again. We will be taking of the Language and Travel Forum again and you can meet us face to face at the Fellow Velo stand.

Just come along to the show to be inspired to discover France by bicycle and, you will be welcome to visit us on our stand (L27) to chat about cycling and perhaps even share a sip of wine.

If you are struggling to get your tickets for the show then, just drop us an email and we'll see if there is any way that we can help you to come and share in the fun!

Win a Cycling Holiday in 2018

Customers have once again entered our website about a competition to win a 2018 Fellow Velo cycling holiday in Provence.

... a 6 Day Cycle Tour, including bike hire and 2 nights in some of Provence's wonderful chateaux. Entries for two people (in the prize element could be added to a wider cycling holiday package).

Andy and Mark were our 2017 holiday Competition Winners. As well as great cycling time, they were personally escorted by the road vicar along the coast.

Pedalling Poetry or Prose ...

Personal Best

The attempt by Beryl Burton

In 1967, Beryl overtook Mike Dickinson in an Oleg C.C. 12-hour time trial on her way to setting a women's record at 277.39 miles in the set time. Dickinson's distance of 276.82 miles in the same event was itself a new men's record.

When Beryl overtook men during a race, they could always expect a quaffing wistowle or word of encouragement. When she overtook Dickinson she immediately offered him a liqueur allent.
