### Fellow Velo Holiday Competition Winners

Congratulations to Abby, who won our Provence Holiday Competition. We hope that she and Mark have a great cycling break when they come to join us for five days in October. Though their dates are close to the end of our cycling season, early Autumn in Provence can provide for cycling days to match any throughout the year.

### Fellow Velo Photo Competition

The latest addition to the Fellow Velo fleet is our extra little backup vehicle which means we're able to support more simultaneous tours, sneak down some of the even narrower, steeper climbs in the east, give the occasional rest to Jean-Claude.

For our 2017 cycling season, we are introducing a photo competition open to all our customers during the year. Just send us an entry with the three photos that best capture the experience of your Fellow Velo holiday.

The best adult entry prize will win a 5% discount on the price of any Fellow Velo tour taken in the 2018 or 2019 cycling seasons (for a maximum booking of two seasons). The best younger entry prize will receive a €25 voucher for any outfit of their choice. (They and their parents apply and will be notified at the time any tickets booking is paid.)

### Our Pre-Season Break

We've just back into the office from a wonderful pre-season break in Scotland, which doubled as our 28<sup>th</sup> Wedding Anniversary. As we planned for 15, a March trip to the Highlands and Islands didn't always feel like it would be the best of ideas but at the potential it held for wind and rain but, no more stress of an incredible weather for most of the time.

The roads were so quiet that we barely had to remember to cycle on the left as opposed to the right one, not much had prepared us for our return to France.

The weather was very glorious and, our tour on both. One of Orages the Mary could not have been more perfect. We had peace and tranquility and, found fantastic windy beaches that we rarely had to share with another soul.

We will always be drawn back to France and Provence in particular but, there's no doubt that we would want to return here for some more great cycling days in the future. After a brief nap or sleep, we then headed to Ringarook on the Marais de Pissac which, though an occasional, but just as remote as our stay on North List. A mile long and track, being small there lead to our cottage on the back shore.
