

# Valentine's Day Newsletter

**Fellow Velo**  
Cycle... Friendly... France

Newsletter Issue: Feb/Mar 2017

Happy Valentine's Day to all our Fellow Velo Customers and to All Cyclists and Legions, staying in some of our very favourite châteaux of France. We will tailor the cycling days to your own ability and wishes.

Of course you could add more days to the tour and even book for friends and family to join you on the holiday. Just make sure you have your license to be taken to the full competition details, your fellow cyclists and your cycling holiday. All it really requires is the three words that you would use to describe the experience of cycling in Provence: **Sticks, Cakes or the 30<sup>th</sup> February** and the adventure will be yours by email by the end of the month - Good Luck!

**LONDON BIKE SHOW**  
19th FEBRUARY 2017  
IMPT LONDON

**The Perfect Present for Valentines**  
Was a Fellow Velo five day cycling holiday for two in Provence in August 2015. Start with a spectacular ride along the coast and descend to the sea from the Bassin des Muses, looking out across to the islands of Port-Cros and Le Levant. Then transfer into Provence hills for four more great cycling days between the villages of Tourtour.

Fellow Velo will be back at the London Bike Show at the EXCEL. Just come along to the show for another opportunity to be inspired to discover France by bicycle and you will be welcome to visit us on site should it be ideal to chat about cycling and perhaps even share a cup of wine.

**THE FRANCE SHOW 2017**  
27-29 January | Olympia, London  
The best of France in a day  
[www.thefraceshow.com](http://www.thefraceshow.com)

Thank you to all our visitors at the France Show, Olympia a couple of weeks ago and to all the friendly contributors and organisers. We hope to be back next year when a more successful attempt is sure to be made on **Winebar Talk** from Amanda's Language Kitchen (this time perhaps a more coordinated musical distraction from Bart and his associates).

We are really looking forward to riding with our greatest group looking to this year's Monaco Grand Prix (well where the prizes in a future newsletter) if the sun of cycle tour is for you then why not plan ahead for 2018... next year it may not just be the Monaco F1 Race, we hope to add the Monaco Historic Grand Prix and possibly a ride to the former Paul Ricard Circuit for the return of the French Grand Prix.
